AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My purpose and goal for this book is to help anyone who might be in need of finding answers to the questions facing them. This has been my desire for 50 years in the ministry. The length of the ministry is a qualifying factor, plus the wide range of involvements have given me proof of success in helping people who sought out or were present under my ministry. I found out a long time ago, this ministry is much more than standing behind a pulpit. Some of the rewarding parts of the ministry for me have been one on one conversations, small groups in teaching sessions and larger assemblies in funeral services and congregations. My personal approach in every aspect of the ministry is to help people see themselves as God sees them in His Word; then help them see themselves to identify their problems. Drawing from my education and experiences, I see people through eyes of concern and compassion; not as judge and jury. I attribute any and all of my success to a God given grace and understanding.
