Page Publishing, Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Poetry is intended to explore the parts of life that we cannot understand simply. From sentiments to deeds, we experience a great many things on a daily basis that cause us to pause, and this reflection is mental poetry. In this collection of poetry, R.B. Spence considers the major aspects of life through verse. Dealing with optimistic aspirations, such as love and hope, the poet also doesn't shy away from humanity's darker features, like the macabre and sin. This book opens the reader's eyes to a world within our own, a world of thoughts and feelings familiar at once to anyone whose heart has been broken, whose soul has been challenged, and who understands that devil inside us may sometimes be fiercer than the devils we face.
