Reviews

This publication will be worth purchasing. It really is writter in simple terms instead of difficult to understand. Its been designed in an exceptionally simple way and is particularly only right after i finished reading this ebook in which basically modified me, alter the way i believe.

Dreamspinner Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Adam Hemlock rules the elite New Harbor Academy. With his mother in Paris, he throws hedonistic, alcohol- and drug-fueled parties for his equally rich, desperately bored classmates. How s a guy who lives life to the extreme to stay entertained? Take on a challenge, of course, and hope the exhilaration of the play-by-play fallout chases away the indifference. At the big pre-senior-year bash, Adam s offered a dare-seduce the new kid. Adam initially laughs off the idea but changes his mind when he sees Jared. Jared Rawell has spent the past two years at a Texas military school, where his father sent him to pray away the gay. He sees the academy in more liberal Washington as a chance to start over and achieve the grades he needs to get into an Ivy League school. When a beautiful but terrifying girl offers Jared a deal-don t sleep with Adam Hemlock and she ll help Jared get through senior year-he sees no reason to say no. But nothing is as simple as it seems. With layers of hidden agendas, backstabbing, lying, cheating, drugs, and entitled teenage egos, Jared and Adam must navigate a high school minefield while waiting for the inevitable explosion.
