Viking Adult, U.S.A., 2012. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. First Edition-First Printing with full number line. Summary: Praise for Syndrome E : "Compulsively readable . . . An eerie psychological mystery with a truly stunning resolution." Pittsburgh Post-Gazette "A crackerjack story that most readers will devour in one sitting . . . Spare evocative prose propels French author Thilliez's stellar U.S. debut." Publishers Weekly (starred review) "Blending science and neurology into the intrigue of his excellent thriller, Thilliez takes us into the maze of the human brain, with all the evils it can unleash." Elle (Paris) "With a fascinating blend of noir procedural, espionage flavor, and an eerie set up that makes the video from The Ring seem harmless, it is no surprise that Syndrome E has already been an international sensation. Beneath its dazzling, byzantine plot are menacing questions of what lurks at the intersection between the new and chilling capabilities of neuroscience and the ancient but more-chilling capabilities of human evil." Michael Koryta, New York Times bestselling author of The Prophet and Tonight I Said Goodbye "This terrific French thriller . . . boasts distinctive characters you want to spend time with, a lively plot, evocative settings, fun film references and, icing on the cake, an enjoyable offbeat romance. Having achieved bestseller status in Europe, Thilliez is poised to do the same in the U.S." Kirkus Reviews "Detective Lucie Henebelle is an overwhelmed single mother who doesn't need more trouble. Then she gets the call from a friend who has gone blind after watching an obscure film embedded with heinous images. It's her colleague, a profiler for the Paris police department, who makes the connection between the movie and the five men murdered at a construction site. Twisty neuroscience! Who can resist?"
