Bookwilde Children s Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Short Stories Under Four Feet is a gift before bedtime. All the stories in this selection are short enough to read before going to sleep. None of them are over four pages and can slip easily under a pillow or on a dresser or table. Put on your pajamas and find out how a tree becomes the universe and how a dog, called Lion, brings chaos to the kitchen. Perhaps you would rather read about dancing with Orcas or making pretzels. It s all found between these pages. This is the second middle-grade book published by the author. The first was Cloud Climber, an adventure story for seven- to ten-year-olds. These short stories are an answer to readers who liked that story and asked for more.
