Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As the sequel to the highly acclaimed mild erotica The Manipulatrix , The Dominatrix takes you deeper into the tortuous world of sado-masochism but still set within the confines of a prosaic middle-class suburban environment. The ebb and flow of events transform the fortunes of the key players in this drama with unforeseen consequences; some are elevated, others are dejected. Euphoria and anguish change places. Just as a female manipulator was the catalyst for the events in the former novel, so now a female dominator arises in this sequel to shape the destinies of those around her. The novel has a mix of amusing sado-masochistic cameos and the grittier real-life situations faced by some of the characters; humour being an essential part of the tale in order to balance out the darker side of the narrative. It is entirely up to the reader to decide the more appropriate response to the situation wherein the masochist pleads to be punished; will the sadist say Bend over or No! Take a Look Inside to sample exactly how far the action is allowed to go.
