Reviews

It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

SELECTIONS FROM THE RECORDS OF GOVERNMENT, NORTH WESTERN PROVINCES, VOL. 2 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Selections From the Records of Government, North Western Provinces, Vol. 2 Changes have taken place during the last 40 or 50 years, disorderfng in some measure the irrigation of certain tracts, and remedies have been of late years applied, but these have been almost entirely confined to restoring those tracts to the condition they had been in at some former period. But viewing the system generally, we find the levels of the main branches perfectly well adapted to supply the smaller, and these to distribute again the water to the lands, apparently with the least possible waste of labor in the excavation of channels, the least multipli cation of sluices and aqueducts, to give the supply the difi erent levels required, and the most convenient distribution to the various villages and farms, while the drainage of all is at the same time most admirably provided for. The difficulty of obtaining a full supply of water in the Cauvery or southern main branch for the irrigation of all Tanjore has been the grievance of ages; Colonel Caldwell imputed it to the beds being so raised by the accumulations of sand from the Coleroon head to the sea, as to turn the water into the course of the latter river, and declared his opinion that though temporary measures might improve the supply, nothing but opening the mouth of the Cauvery, and forcing a great body of water by that course to the sea, could carry off the continual in?ux and accumulations of sand, and therefore nothing else could keep the beds on a sufficiently low level to ensure a supply of water; and he anticipated that in not many years, the rivers would...
