By Jane Clarke

Oxford University Press, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Dr KittyCat is always ready with her furry first aid! In Clover the Bunny pawpox is doing the rounds just as the animals are meant to be heading off on a camping trip. Will at least some of them be healthy enough to go? Once they arrive at the campsite, Clover s paws are covered in itchy little spots. Is it the outbreak of pawpox that Dr KittyCat has feared or could there be another explanation? We ll be there in a whisker! This series follows the first-aid adventures of Dr KittyCat and Peanut the mouse, who s always at her side. Each book is about a small furry patient who badly needs Dr KittyCat s help. With fun and familiar contexts that children can relate to, lovable characters, and strong storylines around each medical emergency, the Dr KittyCat series has real appeal for children. There is just the right mix of compelling first-aid detail combined with a delightfully surreal furry world. The books share a unique visual identity - they are highly-illustrated in two colour, combining photography and hand-drawn elements.

Reviews

If you need to adding benefit, a must buy book. I could comprehended every thing out of this composed e pdf. I am just very happy to tell you that this is the greatest pdf i have study inside my individual existence and could be he finest publication for at any time.

-- Miss Laurie Waters IV
