# Goddess Gambit (Paperback)

Filesize: 1.2 MB

# Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

## **GODDESS GAMBIT (PAPERBACK)**

James H McPherson, Canada, 2012. Paperback. Condition: New. Verne Andru (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*\*. Goddess Gambit Book Three of The Thrice-Cursed Godly Glories Only three weapons have any history of effectiveness against Master Devas, the Shining Ones of myth, legend and more than a few polytheistic faiths on the Whole Earth even to this day. These are the Trigregos Talismans: a curved blade, a looking glass that doubles as a shield as well as an inter-dimensional prison, and a crown/tiara made up of glowing-red apparent rubies or blood stones. All are actually composed of Brainrock-Gypsium, the subtle matter remnants of the Big Bang s Primordial Godhead. In these three forms, this Godstuff has the potential to kill the Inner Earth s extant devil-gods. Just as importantly for many, having them will force devils to stay well away from you. As recounted in Feeling Theocidal, Book One of the trilogy, ever since Chrysaor Attis used them in an effort to eradicate his Great God of a father, Thrygragos Varuna Mithras, on Thrygragon they have been known as the Thrice-Cursed Godly Glories. As recounted in The 1000 Days of Disbelief, Book Two of the trilogy, the Death s Head Hellion, the Contagion Collectors of Renaissance-era Europe and the Trigregos Titaness each very nearly succeeded in wiping out devil-worshippers throughout the Hidden Continent of Sedon s Head using them. The Godstuff making up the Godly Glories is both transmutable and teleportive. No matter how long lost they ve been since circa 5500 YD (Year of the Dome, also the Sedon Sphere, what s been separating the Inner from the Outer Earth since the Genesea of Year Zero), finding one should lead you between-space to the other two. Pass forward to 5980. Not surprisingly, when one...
