GRAMMAR FOR GRADS AND GO-GETTERS: GET THAT JOB, GET A BETTER JOB, GET THAT PROMOTION! QUICK AND EASY FIXES FOR COMMON GRAMMAR ERRORS (PAPERBACK)

Random Company, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Grammar for Grads and Go-getters is not a textbook. There are no sentences to diagram, no quizzes, and no grades. It s easy to read and is a quick reference for everyone. After years of note taking to determine the most often made grammatical errors in speaking and writing, author Rayn Random quotes the error made, tells you what should have been said, and then briefly and clearly explains why, so that you will remember it. If you ve ever been speaking and suddenly realized you didn t know whether to say who or whom, or took a chance and guessed, hoping you were correct, this book will help you to quickly and easily be certain that you are right every time. Once you correct the errors you might be unaware of, or aren t quite sure about, you will be mentally and visibly more confident when you speak. The person listening to you won t be distracted by your grammar errors, will listen more attentively, and be more approving of you, whether in business or social relationships. What s to lose? Go for it!.
