LOOSE SALLIES ESSAYS (HARDBACK)

DOWNLOAD

AUTHORHOUSE, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.LOOSE SALLIES is a new collection of spirited essays for a wide audience from an experienced, cultivated writer who also happens to be a full-time practicing lawyer. In this stimulating and provocative volume, Daniel J. Kornstein writes with grace and precision in an engaging voice. He turns his searching eye and fluent pen to a number of topics of keen interest to us all. The first group of extraordinary essays contains Kornstein's original thoughts on the drafting of the U.S. Constitution. In vivid and witty prose, he recreates the 1787 Constitutional Convention, meditating on how much it is relevant to us today. Kornstein asks questions about whether we really have a written or an unwritten Constitution. He examines changing public attitudes toward the Constitution. Next Kornstein explores the most treasured part of our Constitution: our precious civil liberties. He gives us a sophisticated, insightful and innovative analysis of freedom of speech, religious liberty and privacy. He revisits some of Supreme Court Justice Oliver Wendell Holmes's greatest judicial opinions and explains their current relevance. From there, the author irresistibly describes some interesting personalities and their lives. We learn from Kornstein about legal giants Hugo Black and Felix Frankfurter. Kornstein then gives us a rare glimpse of conservative icon William F. Buckley, Jr. as an expert witness in a controversial case. The author reviews the late Christopher Hitchens's sharp criticism of Justice Holmes's free speech opinions. The final section is an engrossing miscellany of essays on topics as varied as: the similarities between politics and litigation, whether private schools should be abolished, Bill Clinton and the draft, anti-Semitism in New York and London, and the link between Steve Jobs and Ayn...
