

## Peri-Implant Therapy for the Dental Hygienist: Clinical Guide to Maintenance and Disease Complications (Paperback)

---

By Susan S. Wingrove

John Wiley and Sons Ltd, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Peri-Implant Therapy for the Dental Hygienist is a comprehensive guide for implant history, prosthetic designs, and patient selection including oral systemic health and risk assessment. The text also discusses pre-surgical procedures, communicating with patients about implant dentistry, in-office maintenance protocols, plus new innovative home-care options to ensure success of the implant and overall health of the patient. An essential tool for dental hygienists to prepare to take on this very important challenge in the profession, Peri-Implant Therapy for the Dental Hygienist is a valuable resource for the entire dental team.

### Reviews

*Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.*

-- Marvin Okuneva

*Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Zachery Mertz
