Just any old perfect summer night in Italy; cyclist Stephen Sumner was riding his old-timer motorbike home from pizza with friends and found himself between the headlights. But what works for a former jock who is missing a drive-wheel He re-invented himself and founded an organization called Me and My Mirror which is dedicated to helping people of every stripe and any age in poor or war-torn countries deal with the tragedy of losing a limb, or anything else that leaves phantoms behind.
