Veloce Publishing Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Following his dismissal from a job he never should have had, the author packs a tent, some snacks, and a suit, and sets out on a two-wheeled adventure across Europe. With no idea where he s going, and only two very large and confusing maps to rely on, he heads out to prove that planning and forethought are the very antithesis of a motorcycle adventure. Is This Italy? offers a unique and often hilarious insight into the challenges and excitement afforded by a lone motorcycle journey though Europe. In his quest to escape the frantic nature of London life, Kevin Turner heads south across France, crossing the Alps into Italy, and onto Rome, before returning via Germany - and the treacherous Nurburgring - in the hope of rendezvousing with the beautiful Nina. Throughout, the author provides valuable advice to those considering a similar journey, noting the best and most scenic routes, where to stay, and what to see. This is interspersed with a raft of comic anecdotes that demonstrate exactly what NOT to do when lost on a motorbike in Europe.
