WHAT I WILL.I CAN: SELF-EMPOWERMENT TOOLS FOR LIFE

Outskirts Press. Paperback. Condition: New. 184 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. In this high tech, fast paced world of ten second commercials, micro sound bites, instant messages etc, to say nothing of the staggering increase in ADD, is it any wonder that all too often many books, though rich and valuable in content. . . go unread. . . simply because of their volume. What I Will . . . I Can was specifically written to cut to the chase and give viable and practical advice and/or solutions to many of life's challenges facing us. This short Power-Packed Self-Actualization guidebook is loaded with valuable and vital information to help the reader live a healthier, happier more successful life. Joseph Giampapa takes his forty years experience as an Educator, Private Practitioner and skills as a Self-Empowerment Specialist and shares them with us, affording the reader a chance to significantly improve his/her quality of life. Raised in the Chicago area and coming from a large Italian family, he quickly learned the value and power of such things as love, cooperation, sharing and caring for one another. In later years, he learned to not only embrace these values, but to share them, first, with his audiences as a stand-up comedian, and show producer for our servicemen overseas, and later as an educator and private practitioner, helping individuals to re-program their lives for a more successful and happier life. He holds with the philosophy that there is no such thing as an insignificant human being. Having developed many cutting edge programs for both, the private and civic sector, he carries the distinction of having had one of his programs for children reviewed by White House Staff for possible development as an educational television series for pre-schoolers to help give them a positive jumpstart...
