

## A Short Introduction to Attachment and Attachment Disorder, Second Edition

Filesize: 2.58 MB

### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Michael Spinka)*

## A SHORT INTRODUCTION TO ATTACHMENT AND ATTACHMENT DISORDER, SECOND EDITION

Jessica Kingsley Publishers, 2016. Soft cover. Condition: New. 2nd Edition. Concise and easy-to-understand, this book provides an introduction to what attachment means and how to recognise attachment disorder in children. Colby Pearce explains how complex problems in childhood may stem from the parent-child relationship during a child's early formative years, and later from the child's engagement with the broader social world. The book explores the mind-set of difficult and traumatised children and the motivations behind their complex tendencies and behaviours. It goes on to offer a comprehensive set of tried-and-tested practical strategies that can be used with children affected by an attachment disorder. This second edition has been updated to include the new DSM-5 diagnostic criteria for Reactive Attachment Disorder and an increased number of illustrative case vignettes. This is a perfect introduction to the subject for parents, carers and practitioners in supportive roles caring for children.
