NO HERO: THE EVOLUTION OF A NAVY SEAL

Penguin Audiobooks, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 152 x 127 mm. Language: English . Brand New. The second book by former Navy SEAL Mark Owen, following his multimillion-copy classic about the bin Laden mission No Easy Day, in which he tells the stories from his career that were most personal to him and that made him the operator and the person he is today While Mark Owens instant New York Times bestseller No Easy Day focused on the high-profile targets and headline-grabbing chapters of the authors career, No Hero will be an account of the most personally meaningful missions from Owens thirteen years as a SEAL, including the moments in which he learned the most about himself and his teammates, in both success and failure. Mark Owen describes his intentions for his second book best: "I want No Hero to offer something most books on war dont: the intimate side of it, the personal struggles and hardships and what I learned from them. The stories in No Hero will be a testament to my teammates and to all the other active and former SEALs who have dedicated their lives to freedom. In our community, we are constantly taught to mentor the younger generation and to pass the lessons and values weve learned on to others so that they can do the same to the guys coming up after them. This is what I plan to do for the reader of No Hero." Every bit as action-packed as No Easy Day, and featuring stories from the training ground to the battlefield, No Hero offers readers an unparalleled close-up view of the experiences and values that make Mark Owen and the men he served with capable of executing the missions we read about in the headlines.
