Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Devon Macleod awoke staring at the swaying pines rising into the sky above him. He had been shot, his outfit stolen and he didn't know why. When the tough old widow Abby Chaney found him half-dead on her Bitter Grass ranch and got him home, she swung Macleod's future into an unexpected direction. He learned that Abby and her daughter Katy were hanging on by threads to their ranch in the Strawberry Mountains. They were pressed from the south by tyrant Charles Sampson, who wanted their rich summer pastures, and from the north by timber man Egert Taylor, who wanted the Bitter Grass timber, both of whom were willing to kill the women to get it. Never one to back down from a fight or forget a favor done him, Macleod wanted two things: to find those who had bushwhacked him and get his outfit back, and repay the Chaney's for saving his life. None of them knew how much their worlds were about to change the day Macleod buckled on his gun and stepped into the Bitter Grass fight - least of all Devon Macleod.
