Drawing on years of experience training managers and employees, Tulgan reveals the four essential things employees should get from their bosses to guarantee success at work. This book: Shows employees how to ask for what they need to succeed in their high-pressure jobs Shatters previously held beliefs about how employees should manage up Outlines what employees must get from their managers: clear expectations; the skills needed to perform their jobs; and honest feedback, recognition, or rewards A novel approach to managing up, It s Okay to Manage Your Boss is an invaluable resource for employees who want to work more effectively with their managers.
