The shock must have curdled my brain, because I now find myself in partnership with a neurotic control freak called Howard in a detective agency in Milton Keynes. Milton Keynes! I ask you! Wistfully gazing out the window with a cup of awful coffee, a sad ineffectual-looking little guy appeared at the door, begging my help. His garden was being eaten by his neighbour s goats and he had reached the end of his tether. Torn between irritation and sympathy, directed him to a nearby solicitor. Then all hell broke loose. That night his neighbours were viciously murdered and poor old Mr Sad , real name Tomlinson, had been charged with murder. And now Howard had agreed to my taking on work for a bent solicitor, working for a local crook. Both cases were going belly up and someone s out to kill me. What a way to start a new career!.
