Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Everyone is creative and I can prove it. If you want to learn to be more creative, you can do lateral puzzles or read inspiring stories. But aren t you tired of feeling like there should be something more? There is something more, creativity requires YOU. Not just your interests or ideas, but your unique ways to see and do things, your expertise. You need to participate in new ways and new fields. This practical workbook is meant to have you teach yourself how to be creative beyond the usual arts and crafts and problem solving activities. Why not learn how to invent your own theory, tools and beliefs about creativity? Not only will this allow you to share more about your creative thinking, but it will enhance what you learn and use from others. YOU RE the creative one. See how and why.
