

F Is for Foreplay: Erotica Anthology in Rhyme (Paperback)

By Iris y Seda

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. F is for Foreplay 2 Edition is playful erotica anthology, written in sensually unrestrained rhyme. The sexual nature of this collection has a mischievously spirited allure, that surely awakens the reader s enchantment to its poetic erotism. Suggestive and evocative, this collection s imagery, is also crafted with a most verbally supple crochet of muses. -muses that though vividly lascivious are also gracefully elegant. I invite you to read and to feel the summoned libidinous nature of such scribes.
