Hendrickson Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Bible and Your Work Study Series: Genesis 1-11 and Work, Theology of Work Project, Great for group or individual use, at home or at work on your lunch break, this particular study delves into what the story of Creation has to say about faith and work. While every book of the Bible will contribute something to our understanding of work, Genesis proves to be the fountain from which the Bible's theology of work flows. This Bible study addresses themes such as: - God's creation and the ongoing participation he planned for us. - The boundaries God set for us in which to work. - The sovereign justice and mercy of God in working to redeem the world, setting new boundaries and opportunities for us to participate with him. The Theology of Work Project is an independent, international organization dedicated to researching, writing, and distributing materials with a biblical perspective on work. Its mission is to help people explore what the Christian faith can contribute to ordinary work, and it is developing resources for the most significant topics in today's workplace, such as calling, ethics, truth and deception, motivation, compensation, and more. Books created by the Theology of Work Project include the "Bible and Your Work Study Series," and the "Theology of Work Bible Commentaries."
