From bedtime stories invented by a weary father in the 1950s to coax four small reluctant children to go to sleep, Sparky Sparrow adventures have now been put to paper by those same sleep-averse children, all grown up of course! These gentle tales always began the same, and so the author has continued the ritual: Sparky Sparrow wakes up in his cozy home in the Big Pine Tree in the Big Pine Forest, and finds the beautiful day a setting for grand adventure. This reassuring and inviting beginning leaves little ones looking forward to their own adventures of tomorrow as they drift off to sleep.
