ACTINIC KERATOSIS. REPLACE THE FEAR AND UNCERTAINTY WITH KNOWLEDGE: HOW TO PREVENT RECURRENCE AND LOWER YOUR SKIN CANCER RISK. (PAPERBACK)

Adhurst Publishing LTD, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Actinic Keratosis affects millions of people worldwide; over 58 million Americans were diagnosed with this pre-cancerous affliction last year alone and numbers are rising. A new book by Anthony Newton explains actinic keratosis and helps those who have it prevent further attacks and significantly lower their skin cancer risk. Written in easy to understand language Mr Newton, a medical writer, answers questions such as what is actinic keratosis (which is also known as solar keratosis or senile keratosis), as well as discussing all available actinic keratosis treatments and what action can be taken to protect sufferers. The book covers causes, risk factors, how to recognize actinic keratosis, prognosis, and contains a special section focussing on ways to boost the immune system and other methods of prevention. Included is ground breaking research which will help those with the condition prevent their actinic keratosis developing into skin cancer.
