ALIEN EARTH MISSION: HUNTER VS. HUNTRESS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This book involves an alien mission to earth to study the human male vs. female relationship, and whether earth should even be saved. It is full of humor and mishaps, but the main theme is the romance and male vs. female conflict between Joe Tory (humans) and between Carmy Celeste, members of the alien mission. Joe is a hunter, and in a sense, so is Tory who targets Joe for romance. The same can be said of Celeste, who targets Carmy. Interestingly, Celeste is actually an intelligent ship, as well as having an alternate humanoid form. I describe her in more detail in the Cast of Characters description, along with Joe, Tory, Diana who is the commander, Spoof who is central to the humor in this story, as well as Carmy and Admiral Jake Young. I hope you enjoy this futuristic alien adventure to earth to investigate the fascinating nature of human male versus female relationships. I introduced an alien or outside sci-fi perspective, as well as a dose of humor and romance, to make this sci-fi tale a fun read. There are myriad humorous, fascinating and conflicting human conditions that remain to be explored on planet earth. Will Commander Diana Young, Celeste, Carmy and Spoof return to earth for future investigations? Who knows? Keep an eye on the night sky . Randy Young, Author P.S. If you enjoy this story, please tell others.
