The Treaty of Versailles

By Louise Chipley Slavicek

Chelsea House Publishers. Microfilm. Book Condition: new. BRAND NEW, The Treaty of Versailles, Louise Chipley Slavicek, In January 1919, following the defeat of the German-led Central Powers in World War I, delegates from the victorious Allied nations gathered in Paris to try to forge an enduring peace for the postwar world. The number and complexity of the issues confronting the Paris peacemakers in the wake of the deadliest and most disruptive war up to that time was daunting. The five separate treaties produced by the Peace Conference, and particularly the most famous one, the Treaty of Versailles with Germany, have been widely criticized over the years, primarily because they led to the rise of Nazi Germany and the Second World War a generation later. Nonetheless, faced with the overwhelming task of bringing order to a world shattered by four years of bitter fighting, the Paris delegates were convinced that they had fashioned a just and lasting peace. In The Treaty of Versailles, read how world leaders struggled to deal with the aftermath of the War to End All Wars.

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dominic Collins

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

-- Stefan Von
