

The Glacier Gallows

By Stephen Legault

TouchWood Editions. Paperback. Book Condition: new. BRAND NEW, The Glacier Gallows, Stephen Legault, Tragedy strikes during an expedition through Waterton-Glacier International Peace Park. At the base of a windswept ridge that forms the border between Canada and the United States, Cole Blackwater finds the body of his business partner and former rival Brian Marriott, with a bullet hole in his head. Cole's long history of violence and his antagonistic past with the deceased put him in the spotlight of the murder investigation. The fourth Cole Blackwater Mystery, The Glacier Gallows is a rough-edged, fast-paced mystery that will catapult the reader across North America, from Canada's Parliament Hill to Alberta's Porcupine Hills to Montana's Blackfeet Indian Reservation. Cole, his brother Walter, and reporter Nancy Webber, must race against time to learn who really wanted Brian Marriott dead and why, before Cole himself ends up in the gallows.

Reviews

This is the greatest book i have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publish this ebook.
-- **Adan Dickinson**

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
