The List

By Larry Tate

Paperback. Book Condition: New. Paperback. 344 pages. Along with the rest of humanity, best friends, Mark Stimes and Bailey Jensen live below the surface of the earth. The Green Movement has thoroughly brainwashed the world into believing that the only salvation for Mother Earth was for humanity to be permanently banished below her surface. Excursions to the topside are forbidden, so no one has any idea what it looks like. Escape from the underworld is considered impossible, and any such attempt is punished by torture and death in the public square. Armed with nothing more than handed-down stories of the beauty and freedom associated with the topside, Mark hatches a dangerous scheme to escape from the underworld. Despite the odds against success, Mark and Bailey have decided that life in the underworld is worse than...

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
