Ember. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 8.1in. x 5.4in. x 0.9in. A fast-paced, nerve-fraying contemporary thriller that questions loyalties and twists truths. Appearances can be deceiving. In the Community, life seems perfect. After the 911 terrorist attacks, Pioneer invited Lyla's family to join his group and escape the evil in the world. They were happy to be chosen, happy to move away from New York and start over in such an idyllic gated community. Now seventeen, Lyla knows that Pioneer is more than just their charismatic leader, he is their prophet . . . but his visions have grown dark. Lyla is a loyal member of the Community, but a chance encounter with an outsider boy has her questioning Pioneer, the Community everything. And if there's one thing not allowed in the Community, it's doubt. Her family and friends are certain in their belief. Lyla wishes she could feel the same. As Pioneer begins to manipulate his flock toward disaster, the question remains: Will Lyla follow them over the edge? From the outside looking in, it's hard to understand why anyone would join a cult. But *Gated* tells the story of the Community from the inside looking out, and from behind the gates things are not quite so simple. Amy Christine Parkers beautiful writing creates a chilling, utterly unique YA story. Perfect for fans of creepy thrillers and contemporary fiction alike. A tense psychological thriller that will leave you gasping for breath as you race to the very last page. --Gretchen McNeil, author of *TenHelloGiggles*. com, August 3, 2013: When I found out that there was a YA book about cults, of course I had to read it. As it turns out, Amy Christine Parkers *Gated* is an awesome, creepy book that reminds me of my favorite cult films while...
