

## First Grade Workbook (Paperback)

By Derek Schuger

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Workbook. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The beginning of first grade is very exciting! A new school, new friends and new skills to learn. What s more exciting is that your child will now be able to prove their academic talents. Statistics show that 80 of the top 20 high school students begin academic excellence in the first grade. Staying at the top is easy. Teachers recognition, school rewards and parents encouragements will maintain the momentum they gain in first grade. The question is how to get there to begin with. Fortunately, it doesn t take much to move ahead of the curve. This book will help. School effectively teaches children fundamental concepts, but this workbook will broaden and deepen the fundamental knowledge through well-designed exercises. This book has 26 chapters, and each chapter has three sections: vocabulary, math/words problems, and reading/writing. Students may work on one chapter every one to two weeks to finish all the chapters before the end of first grade.
