Jewish Lights Publishing, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Help sustain the Jewish tradition s legacy of community leadership by building strong leaders today. Great Jewish leadership has helped us survive slavery, guided us to the Promised Land, given us hope through exile and oppression, helped us enjoy membership in a nation of overachievers and given birth to the State of Israel. Great Jewish leadership generates vision and, as a result, followers. It inspires us and helps us to stretch higher, see farther and reach deeper. --from the Introduction Drawing on the past and looking to the future, this practical guide provides the tools you need to work through important contemporary leadership issues. It takes a broad look at positions of leadership in the modern Jewish community and the qualities and skills you need in order to succeed in these positions. Real-life anecdotes, interviews and dialogue stimulate thinking about board development, ethical leadership, conflict resolution, change management and effective succession planning. Whether you are a professional or a volunteer, are looking to develop your own personal leadership skills or are part of a group, this inspiring book provides information, interactive exercises and questions for reflection to help you define leadership styles and theories, expose common myths and coach others on the importance of leading with meaning.
