## INDIA PUBLIC PLACES, PRIVATE SPACES: CONTEMPORARY PHOTOGRAPHY AND VIDEO ART

The Marg Foundation. Paperback. Condition: new. BRAND NEW, India Public Places, Private Spaces: Contemporary Photography and Video Art, Gayatri Sinha, Paul Sternberger, This book features a lavishly illustrated exploration of the dynamics shaping contemporary India - as seen through photographs and video. It includes a dedicated mailing and e-mail campaign to targeted photo and video art media. For twenty-five years a swirl of voices from India's past and present have shaped Indian photography and video art. The artists' gaze has been fixed on interpreting and influencing the staid, yet chaotic dimensions of a country of over 1 billion people. Some artists have bent the strong traditions of photo-journalism to explore its more subjective side, while others have used photography and video as an overtly interpretive media that demands social analysis. No matter how they are perceived artistically, all of the featured artists have explored the unique dynamic that has shaped the contemporary Indian psyche and landscape.
