PROTESTANT ENDURANCE UNDER POPISSH CRUELTY: A NARRATIVE OF THE REFORMATION IN SPAIN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Protestant Endurance Under Popish Cruelty: A Narrative of the Reformation in Spain Castro s Historia. Do los Protestantes Espanoles has been published in London, and still more recently one of another work on the same subject and by the same author. In neither of them, however, has the writer of the present volume met with any new information which could have materially, if it all, improved it, had such been in existence at the time it was written. He need hardly acknowledge his great obligations to Dr. Mccrie s History of the q ormation in Spain (the work above referred to), as nothing of any worth could be written on this subject, without being more or less indebted to that accurate and elegant work. The extent of these obligations is only partially indicated by the refer ences made to it in the foot-notes. Its chief use, however, has been to guide to the original sources of information, which have been consulted and fol lowed in nearly every instance referred to in the notes, and in many others where acknowledgment has not been deemed necessary. Whilst avoiding a lengthy parade of references, enough have been given. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
