Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sing The Blues A collection of short erotic horror stories in the genres of sci-fi, paranormal and dystopia. Money, selfishness, exhibitionism and revenge all play a role. The Breeders A breeding program that occurs on this planet run by an alien species. Could escape be possible for both master and slave? Target Practice Serena describes herself as a kind of Black Widow , who doesn t steal and kill (directly). She just invites herself into other people s relationships. Time-A-Wastin A killer remembers how his mother used to smell on her deathbed; fruity with a hint of decay, maybe? Up The Fundament A demon exacts her revenge on a misogynist ex by delivering a punishment fit for a king (of sorts). Whispering Bunnies The story of a revengeful female ghost committed to searching out the relatives of those who drove her employers to hell. She loves to play games and she usually wins. For The Alpha Wolves parade a local drinking hole outside a city. They re looking for prey to take home to the Alpha. But which unsuspecting victims...
