The Book of Indian Birds 13th Edition

By Salim Ali

Oxford University Press, New Delhi, India, 2003. Hard Cover. Book Condition: New. Dust Jacket Condition: New. Thirteenth Edition. This much-awaited revised edition includes the extensive changes in the scientific and common bird names that have taken place since the last revision in 1996. Following the publication, in 2001, of the list of Standardized Common and Scientific Names of the Birds of the Indian Subcontinent in the Buceros 6 (1), the common and scientific names have been modified based on this list. It is expected that this will provide uniformity in the names used throughout the Subcontinent and outside, and help birdwatchers to communicate better while exchanging their observations. The Alternate Common Names given in the earlier edition have been removed. The Index of common names of species, giving plate and serial numbers, has been replaced with separate Indexes of Scientific and Common names according to page numbers. Minor errors that were overlooked in the earlier edition have also been rectified. Dr. Salim Ali last revised and enlarged the BOOK OF INDIAN BIRDS in 1979 when the eleventh edition was published. This edition described and illustrated 296 species, and was last published in 1992. Thereafter, it was decided that the Book...
