### **Reviews**

*Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).*

She s taking care of her sick father, struggling to make deadlines with her art, and keeping up with the bills. There s no room for dating unless it s for the long haul, and Kris s past experiences with women have left her full of doubts. Her relief comes from her weekly Dungeons and Dragons session with close friends. As Dungeon Master, this is one world she can actually control. Lacey Jenkins is getting over heartbreak. She s still full of resentment over her emotional vampire of an ex. The sole joy in her life comes from her little terrier, Barkley. Yep, she s reached crazy dog lady status and she doesn t care if you know it. But she knows the only way to move on is to start meeting new people, and her coworker offers her the perfect opportunity. Nice, easy, and no drama. Adventure comes easy while playing a game, but finding true love in the real world is quite a challenge. Are they up to it? It s a roll of the dice.
