

Burma's Spring: Real Lives in Turbulent Times

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

BURMA'S SPRING: REAL LIVES IN TURBULENT TIMES

River Books. Paperback. Book Condition: new. BRAND NEW, Burma's Spring: Real Lives in Turbulent Times, Rosalind Russell, "Rosalind Russell has written an extraordinarily beautiful, comprehensive and compelling story of Burma in a remarkably human way - essential reading for anyone interested in understanding Burma today." Benedict Rogers, author of Burma: A Nation At the Crossroads. "Burma's Spring is like nothing else written about Burma - compelling, charming and unique. No other book I know of has got under the skin of such a wide variety of Burmese, bringing them to life on the page." Peter Popham, author of The Lady and the Peacock: The Life of Aung San Suu Kyi. Burma's Spring documents the struggles of ordinary people made extraordinary by circumstance. Rosalind Russell, a British journalist who came to live in Burma with her family, witnessed a time of unprecedented change in a secretive country that had been locked under military dictatorship for half a century. Through her remarkable encounters as an undercover reporter, she unearthed the real-life stories of a rich array of characters and followed their fortunes over a tumultuous era of uprising, disaster and political reform. From the world famous democracy leader Aung San Suu Kyi to the broken-hearted domestic worker Mu Mu, a Buddhist monk to a punk, a palm reader to a girl band, these are stories of tragedy, resilience and hope-woven together in a vivid portrait of a land for so long hidden from view.
