

## Unlocking the Online Classroom: A Beginner s Guide to Success in Online College Classes (Paperback)

By Clint Hayes

Burning Creek Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Research suggests that a majority of students taking online college classes fail to succeed in those classes. While there is no simple formula for success, there are ways to improve your odds. Whether currently enrolled or only thinking about taking online college classes, you need the information provided in this book. An understanding of how best to prepare to be an online student, including understanding the realities behind the most common misconceptions about online learning is the key to unlocking the online classroom. All prospective online students need to understand very specific things before selecting an institution for their online education. Consider the following: \* Are you prepared to become an online student? There are distinct differences between online and face-to-face college class expectations. Do you know what they are? We will discuss the importance of understanding, accepting and meeting online class expectations and how failure to do so will affect your grades. \* Why is accreditation important and what does it mean for you? You will not only learn why it is important but how to determine whether an institution...
