Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
(Rene Olson)

IGNITE: A DEFY NOVEL

Scholastic on Brilliance Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In the kingdom of Antion, peace has at long last been restored. Now that King Hector s reign of terror is over, the newly crowned King Damian, along with his most trusted guard, Alexa, must focus on rebuilding Antion and reclaiming the hope of their people. But the wounds of the past are not as easily mended as Alexa and Damian had hoped. And to further complicate matters, Alexa still harbors a secret love for Damian, a love she refuses to acknowledge for the sake of Antion, and for the sake of the king himself. When new threats to the kingdom surface -- including an assassination attempt on Damian -- blame is cast on the once-friendly nation of Blevon. Alexa knows things are not what they seem, however, and once again the fate of her country hangs in the balance. Will Alexa be able to protect her king and find the true enemy before it s too late? Filled with romance and treachery, magic and violence, this stunning sequel to Defy whisks listeners off on another thrilling adventure.
