Quercus Publishing, United Kingdom, 2008. Paperback. Condition: New. Language: N/A. Brand New Book. In *The Death of Woman Wang* the award-winning historian Jonathan Spence paints a vivid picture of an obscure time and place: provincial China in the late 17th century. Drawing on a range of sources, including local Chinese histories, the memoirs of scholars and other contemporary writings, Spence reconstructs an extraordinary tale of rural tragedy in a remote corner of the northeastern Chinese province of Shantung. Life in the county of T'an-ch'eng emerges as an endless cycle of floods, plagues, crop failures, banditry and heavy taxation. Against this turbulent background a tenacious tax collector, an irascible farmer, and an unhappy wife act out a poignant drama at whose climax the wife, having run away from her husband, returns to him, only to die at his hands. *The Death of Woman Wang* not only magnificently evokes the China of the late Ming period, but also deepens our understanding of the China we know today.
