Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Stocking a garden with plants can be an expensive business, so there are few things more frustrating than when the prized specimen for which you have paid a king s ransom either online or at a garden centre shrivels up and dies within a year or so of purchase. If you can prove that the plant was half-dead when it arrived, you may be able to obtain a refund from some online retailers, but for the most part you have to put it down to experience and make a firm mental note not to buy fussy plants in future. These plants are all but indestructible - pests give them a wide berth, they will prosper in any reasonable garden soil and will withstand anything that the UK climate throws at them. Divided into sections for shrubs, conifers, climbers, perennials, grasses, annuals, alpines and bulbs and with each entry having a Value For Money (VFM) rating out of 10, this...
