Flutter Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What is love if not one continual dig into the shards and fragments, the moments and pieces we collect to make sense of our lives? In Archeology, I juxtapose poems based on real archeological finds with poems about a variety of modern-day experiences that serve to reconnect people, both dead and living, and renew family bonds. In the writing of these poems, I was amazed at what can be learned about love from the unearthing of side-by-side skeletons in an ancient Italian town. Or how easy it is to feel the concern of a prehistoric gatherer when her mate hasn't returned from the hunt. I was equally surprised to discover that eating a plum or losing sight of a child in a busy store or the simple act of replicating a family recipe could be the way in to primal feelings and experiences.what I believe makes us human.
