Reviews

Merely no words and phrases to describe. I really could comprehend almost everything using this created e.pdf. Your daily life period will be change once you full reading this ebook.

(Mr. Ladarius Stoltenberg)

HONEST DOLLARS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Honest Dollars Money has two functions: To be a medium of exchange and to be a standard of value in the payment of debt. Money fulfills the first function best when all its parts circulate at a parity; when its value is uniform in all parts of the country; when it can be conveniently handled in any sum; and when it can be used in international trade. The present money of the United States, composed of gold, of greenbacks, and of banknotes, silver and silver certificates, kept at a parity with gold, has all the qualities of a good medium of exchange, and nobody finds fault with it. Hut as a standard of value it shows the gravest defects; while it is sound money it is not honest money. An honest dollar, like an honest gallon or an honest yard-stick, is simply a Just Standard. A just measure of value you get in the same way that you get a just measure of capacity. It makes no difference how many pecks there are in a bushel - three, four or eight. If we had an eight-peck bushel prices and transactions would adjust themselves to it as they do now to the four-peck bushel. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
