DIVISION UNPLUGGED

Sara Jordan Publishing, Canada, 1998. CD-Audio. Condition: New. Abridged. Language: English . Brand New. Catchy melodies, drill and student involvement make basic division facts with divisors to 9 very memorable. This album was put together with a great deal of thought. Each of the 9 melodies is different, very musical and very catchy. These songs drill division facts but also use skip counting as a form of review. The chorus of every single song is actually skip counting. So, not only do students learn all of their division facts, they can count by 6 s, 7 s, even 9 s with no problem! This kit is perfect for earlier grades as a primer and for later grades as a resource and review. This is a collection of 9 teaching songs, plus a complement of 9 self quizzing tracks. The lyrics/activity book (which may be reproduced by the teacher for classroom use) includes over a dozen activity sheets.
