This is a tale of vigilantes, people who are tired of criminals being given the breaks while victims suffer. The lives of four boys are forever changed when they antagonize and name an apparently homeless man. They name him Rags. Rags is forced to leave the small town of Mount Bell and heads for the city of Pittsburgh. His leaving was forced by his former employers, the CIA. In Pittsburgh he changes his name to Sgar and forms the MVA, a benevolent vigilante group. That is: benevolent to the victims of criminals, benevolent to the victims of the legal system and benevolent to some of the victims of society. AS the organization grows and is successful. Sgar continually follows the lives of the kids he knew in Mt. Bell. When they reach the age of eighteen he contacts each one separately, and invites them to join the MVA! All of the boys follow different paths as they grow. One a heavy equipment contractor, one a fighter, another to the military and the rouge goes to Vegas to get rich quick. Sgar pulls this unlikely crew together to form a smooth operating machine, and the MVA has many successes. Together they fight to bring the crook to justice before the justice system starts spinning its wheels. The MVA really starts rolling when they get wind of a Judge sending young people, of low income families to juvenile facilities for financial gain. Sgar Places two undercover MVA members in the facility. The bad guys kidnap one of the agents and ship her out of state. Join the MVA as they work just outside the law, for the law! This item ships from multiple locations. Your book...
