Excerpt from The Doctrine of the Church of England: Upon the Efficacy of Baptism Vindicated From Misrepresentation Understanding that this Tract is now out of print, I have been induced to publish anew edition of it. My opponent indeed, the Vicar of North Ferriby, is no more; but as the subject of which I treat is connected with a controversy by no means personal to him, or rather indeed with a controversy, in which the opinions of a party, not of an individual, are involved, I mean of a party which appropriates to itself the epithet Evangelical, I have complied with the solicitations made to me, and republish it.
