Simon Schuster Books for Young Readers, United Kingdom, 2005. Paperback. Book Condition: New. Jim Benton (illustrator). Reprint. 214 x 149 mm. Language: English . Brand New Book. Franny K. Stein didn t think the time would ever come when someone would realize what the K in her name stood for. And she REALLY didn t think that same someone would say her middle name in front of the whole school! But that s what happened at the Science Fair award ceremony, and all the kids and teachers burst out laughing. So Franny does what any respectable mad scientist would do -- she goes back in time to change her name. However, things don t always turn out as calculated, and Franny ends up having to face her teenage self in a warped, fourth-dimensional, kid-versus-teen, good-versus-evil, Franny-versus-Franny battle of the minds!.
