Brand New Book ***** Print on Demand *****.If you look for a book dealing with soft skills with a difference, here it is! Yes, you are at the right place for the right material. This special book deals with not only the importance of soft skills, also the use of it both at your workplace and at your homes. The concern is that you are going to make a difference not only in your workplace also in your family. As the book emphasizes the importance of soft skills for making your professional career highly on demand, it also shows ways to make your family life more pleasant and happy - A search for a homely relationship with your wife, and children. Soft skills are interpersonal and intra-personal skills and they objectively refer to a term relating to a person s EQ (Emotional Intelligence Quotient). This is a package of skills related to personality development that including social skills, communication and language skills, interpersonal habits, assertiveness, friendliness and optimism that demonstrate the relationship with the other. Soft skills remain essential to any person who wants to demonstrate the maturity of thinking and responding to the people and situations. Soft skills are personal skills, which make a person more polished and more successful. Soft skills are part of interpersonal and intra-personal skills that play a crucial role in demonstrating the characterized relationship with the other. Soft skills differentiate a person from the other based on his/her interpersonal relationship within the group or outside of it. Behavioral experts say that there are many soft skills, which need to make our interaction with people or the environment friendly and productive. Another reason for training ourselves in soft skills is that they are not taught...
