

Tramp Art Papercrafts: 25 Projects for Corrugated Paper (Paperback)

Filesize: 2.2 MB

Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

TRAMP ART PAPER-CRAFTS: 25 PROJECTS FOR CORRUGATED PAPER (PAPERBACK)

DOWNLOAD

Design Originals, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Tramp art refers to primitively notched wooden designs made from layers of thin wood, often taken from salvaged cigar boxes. Old-time tramps and hobos would carve these small boxes and frames while travelling and trade them for food and shelter. Now, using modern cardboard and a few simple craft supplies, you can create beautiful gifts and home accents that capture the look of this 19th century craft for 21st century fun! Simply cut shapes from corrugated paper, then stack and glue them on boxes and chests to achieve the vintage appearance of notched and layered wood for which Tramp Art is famous. Easy to follow, step-by-step patterns and instructions make it fun for the whole family. Adding unusual accents like table forks for legs, chunky wood pieces, and massive hardware makes the projects in Tramp Art Papercrafts truly unique. Try one design and you ll want to make them all!.
